

**WELLNESS**  
MONTANA UNIVERSITY SYSTEM

## Your Wellness Benefits

The Vision of the Montana University System (MUS) Wellness Program is for MUS Plan members to be engaged in the ownership and betterment of their health and well-being in order to **maximize quality of life**.

In order to achieve this Vision, the MUS Wellness Program offers numerous wellness programs to MUS Medical Plan members over the age of 18. These programs are offered at no cost to Plan members to help you stay healthy and pursue an active, high-quality lifestyle:

- **WellChecks:** Preventive health screenings (lab work, biometrics and flu shots) are offered twice per Plan year. Participate in WellCheck and know your numbers!
- An **Incentive Program** that allows participants to track health goals, participate in challenges, practice mindfulness, and earn incentives. Register today at [join.personifyhealth.com/muswell](https://join.personifyhealth.com/muswell)
- Health coaching services provided through the **Lifestyle Management Program** to help manage chronic disease or high-risk conditions such as high blood pressure, high cholesterol, diabetes, and obesity.
- An **Employee Assistance Program (EAP)** for instant support if you, a household member, or coworker is in crisis. The EAP also provides counseling and many other services.  
(24/7 help at 888-993-7650)
- **WellBaby** is a special program for expectant mothers/families that provides excellent resources and can help save on healthcare costs associated with pregnancy and childbirth.
- **Wellness education** including webinars, workshops, and online resources.
